ATTIC ANGEL ASSOCIATION

JUNE 2013

Spring has Officially Sprung with the 2013 Spring Luncheon and Annual Meeting

The Annual Meeting and Spring Luncheon were held at Nakoma Country Club on April 29. Special thanks to Sherri Stafford and Barb Lessner and their committee for their wonderful planning and the great food. The dining room was filled with nearly 250 Angels warmly greeting old friends and new.

The program honored Board members and Operational Chairs who served in the past year. Association Bylaw revisions were voted on and approved and new officers elected. Peg Jones and Patty Kramer (posthumously) were recognized. Peg retired from the Association Board as well as the Attic Angel Place Board with great appreciation for her dedication and efforts.

Karen Perzentka and Cindy Zellers were introduced as the new 2013-2014 Chair and Vice Chair.

Dale Wortley stepped down with Lena and Ole in good humor.

Karen Perzentka (left), new Association Board Chair, thanked outgoing Chair Dale Wortley (right) for her gracious service.

Her year was the Year of the Member, and what a group of members we have - 564 with 289 as "active" and nearly 33,000 volunteer hours providing the Angel Touch - an awesome depth of commitment.

2013-14 Operational Chairs and their Assistants were presented; Attic Sale announcements were made (*Please remember to wear your Attic Angel nametag when you work on Sale days*); donors and Legacy members were honored; and a report was made on our expansion fund-raising.

Twenty-two members of the Class of 2003 were recognized for achieving ten years of Active service.

(Pictured l-r, back row, Advisor Judy Von Bergen, Sherri Stafford, Jeanine Olson, Jean Cowden, Diane Wilcox, Trese Lillesand, Sandy Spengler; Barbara Bryant; front row, Beverly Richgels, Nancy Webster, Anne Alber, Sharon Griesbach, Claire Levine, Betty Brunner, Barbara McFarland, Marlene Jaskaniec, Kate Richardson and Patricia Lucey. Not pictured: Isabel Hubbard, Pat Meloy, Pam Reichelderfer, Mary Shanahan and Sue Zaleski.)

Lottie Frank introduced and thanked the Class of 2012 as they became full active members.

(Pictured, right, top to bottom, stair rail, Kate Burr, Katie Sekelsky, Advisor Lynn Hodges, Joan Sumkin, Sandra Esrael, Barb Rockenbach, Nancy Dolan, Sandra Stephens, Margo Hirsch; bottom to top, off rail, Lynne Buckingham, Joyce Colletti, Karla Rath, Jane Brimmer, Lottie Frank, Advisor, Jean Carlson, Bonnie Fitzgerald, Alice

Lewandowski, Meredith Degen, Allison Collins and Linda Mullane. Not pictured: Trish Schleicher and Mary Wilson)

Finally, Nancy Killeen, Membership Committee chair, introduced the 2013 Intern Class who were welcomed with true Angel warmth. (*See the 2013 bios starting on page 4 with their Advisors.*) Great job, Angels!

Assn. Board Highlights

By: Betty Brunner, Board Secretary

May 20, 2013

Seeking to establish an annual focus, the Board invited Mary Bartzen, Community Partnership's Director of Foundation for Madison's Public Schools. They are a separate group from the School District and work to develop partnerships for the 50 schools in the district, such as the one Attic Angel has with Falk School. She explained the Foundation exists to support the district and gave details regarding one of the district's unmet needs, the issue of children's mental health. The schools are now providing health care to all students but this does not include mental health. These begin as family issues, but end up being school issues. The Board plans to narrow the focus next meeting.

The Board approved:

- Budget overruns for the Apartments and Haven Committees
- Proceeding with research on the use of Association property to provide storage space for AAPP.
- Asking Claire Merkt to provide additional research on a proposed Public Relations opportunity.
- The Volunteer Committee long-range plan goal recommendations
- Spending the Ela bequest on publishing of a book for the 125th anniversary and dedicating it to Mary Ellen Beach Ela.

The capital campaign for AAP Expansion is currently at \$1,350,000 and it is hoped the current mailing appeal will bring additional funds to reach its goal.

Olbrich Gardens Education

By Jean Mortenson, Education Committee Chair

It was a beautiful day at Olbrich Gardens on May 15 for the Education Breakfast with delicious food and an outstanding

Rachel Krinsky with
Linda Argue, Education
Committee Asst. Chair

speaker. Rachel Krinsky, born and raised in Madison, always hoped she would one day be the CEO of the YWCA, an organization dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom, and dignity for all. After listening to her speak, the 85 Angels present can say that the YWCA is fortunate to have Rachel.

HELP WANTED!!

By Peggy Douma & DeeDee Ridders, Continuing Education Co-Chairs

Do you enjoy

- meeting interesting people?
- learning about a variety of subjects?
- chatting with residents and guests about their interests?

Then, you would really enjoy co-chairing the program committee for the Monday morning Continuing Education Program. Continuing Education meets for 32-33 Monday mornings during the Academic Year (just like school), so at least four Angels are needed to recruit and present the speakers. That way, each co-chair recruits and introduces only about eight speakers each year. We divide up the months of the academic year, so each co-chair generally has two months to work with. You think you don't know of eight potential speakers? Don't worry! We share ideas and help you find ideas from newspaper articles and listings of speakers for other organizations in town. Our audience members also make wonderful suggestions for speakers or topics. The months you aren't in charge of speakers you help greet and seat audience members. With four to six committee co-chairs, we each have the flexibility to be out of town or otherwise occupied whenever necessary.

If you can't make the commitment to be one of the four to six co-chairs, maybe you have two or three ideas for speakers you would like to share with us. It would be wonderful if you'd also be willing to get in touch with those speakers to set a date and then introduce them to our audience.

If you are interested in co-chairing or giving us ideas, please call Peggy Douma at 231-2101 or DeeDee Ridders at 243-8995.

Classic Clothing Sale

We will begin collecting clothing for our annual Classic Clothing Sale on June 22, 2013. This gives us time to have the basement thoroughly cleaned after the Attic Sale before we start to work on this new Sale.

Please start collecting your gently used clothing and accessories and bring them over to the Association office basement on or after June 24. The Sale will occur on October 8 & 9.

AAP Board Highlights

By Cindy Zellers, Board Secretary

April 25, 2013

Derek Buckley provided the education portion of the meeting by presenting information about the new levels of services available in the Apartments. There are multiple options being offered with the goal of meeting the needs of all of the residents. The new service packages utilize a service related charge rather than one based on time. Residents have had opportunities to learn about these new packages and can continue to do so as they are implemented. Other options for preparing and delivering food are also being explored throughout Attic Angel Place.

The AAP Expansion Project continues to progress. Residents are now living in some areas of the newly completed Households and Health Center. The therapy function has also moved to its new location. Work is now focused on the connectors between the new and existing buildings. Remaining phases include the completion of the areas for Social Services, Activities and the Health Center dining room. Several enhancements will occur in these spaces.

The Board discussed the WCCEAL (WI Coalition for Collaborative Excellence in Assisted Living) satisfaction survey results and will compare our results against benchmarks. An AAP Board evaluation was also discussed and the Board agreed to look at some new tools for evaluation. An update was given on progress toward meeting the long range plan goals and assignments were given for this year. The final Bylaw revisions for the year were approved.

Renovation Curiosity??

By Claire Merkt, Director of Marketing

Within the past several months we've begun renovating available apartments using a new standard of finishes ... quartz countertops, stainless appliances, new lighting and flooring selections ... beautiful and classic finishes! To showcase these available apartments, we welcome you (along with any guests you may wish to bring!) during our Open House hours:

Wednesdays, 1 – 3 pm

Thursdays, 10 am to Noon

During either of these times, simply stop by the reception desk to begin your Open House visit. Admissions and Marketing staff will be available to assist with tours and answer any questions you may have about occupancy.

Meet the New AAP Board Members

Cindy Zellers - Vice Chair/ Secretary

I was born and raised in Muskegon, MI, but came to WI as a college student and never left. Middleton has been my home for 36 years. My career path was varied. I started as a biology teacher and ended as the Finance Director at the Department of Transportation with lots of interesting assignments along the way as I transitioned from technical work to management. I learned that I love working with people and helping to solve problems.

My husband Bob and I have three sons between us and are enjoying being a part of their adult lives as they and their families grow and prosper.

I joined Attic Angel Association in 2006 and discovered the joy of real volunteerism. My previous volunteer experiences have included serving on the Middleton School Board and Middleton Plan Commission. It has been a pleasure to spend time with our residents and with the other volunteers. There are so many wonderful people in both groups and so much to learn from them. I love to get involved in what I do and am really looking forward to the next three years.

Nancy Killeen, Member-at-Large

I was born in Platteville, WI, and lived there for my first 50 years. I attended UW-Platteville and earned a master's degree in elementary education in 1969 and an elementary administration license in 1979 becoming a professional development leader, advisor and a mentor teacher. I retired, left Platteville

in 1988, moved to Madison where I enjoyed a variety of employments I had thought I would like to pursue: CNA at a nursing home, bank teller, buyer for Prange's better wear, WI Grocer's Association with the expo and membership programs, etc. I then decided I really missed working with children so I became first a teacher and then director of Middleton Preschool for nine years retiring completely in 2004, the year my wonderfully patient and kind husband Ed and I got married. We enjoy traveling, Badger basketball, our home in Door County and our combined families with 3 daughters, 3 sons, 1 granddaughter, and 4 grandsons. I feel very happy and fulfilled doing all of the activities with the residents that I am able to do. I look forward to serving on the AAP Board.

Chaplain's Retirement

By Tricia Nicoll, Director of Activities

It is with sadness that I inform you of a change within our Attic Angel family. Chaplain Gary Hein will be retiring from chaplaincy at the end of July. He has been with Attic Angel Community for a little over three years and we have enjoyed the spiritual support and guidance he has provided us during this time. He has provided compassion and care every step of the way in every program and conversation he had with us. We will miss all of the gifts he brought to our community, some of which included facilitating the Remembrance services, providing programs helping us get through the challenging times of the holidays, providing bereavement support, developing bedside service materials, honoring our service men and women on the Holidays, leading us in Bible Study and Song and Story and providing strong leadership to the pastoral care within our community. We are also grateful for his connections in bringing along Eric James, our Chaplain Support Volunteer who has greatly enriched the programming with his well planned and always interesting topics of Sharing Books. While this is a time of transition and change, I hope that you can join me in wishing Chaplain Gary the best in his retirement. We will have a celebration in late July so please look for more information to come out in next month's calendars.

Attention All Sustainers

By Harriet Stoll, Development Committee

Our fourth annual **Sustainers' Social** is scheduled for
Thursday, July 18
2 p.m.
Garden Room of Attic Angel Place

Mark your calendars! All Sustainers are welcome to attend. This occasion is a wonderful opportunity to reconnect with Angel friends. Be watching for a mailed invitation to arrive in mid-June. We hope you will respond favorably to this invitation and look forward to seeing you on July 18!

2013 Intern Class Advisors Look Forward to a Good Year

Lynn Hodges '90, 2013 Intern Advisor

In 1990, I was looking forward to new pathways of growth with Attic Angel; in 2012 I was looking forward to assisting dear friend and fellow-Intern, Lottie Frank, guide the outstanding women of 2012. Now it is a great honor to share my experiences with the Class of 2013.

I am still all about UW and Packer football, my downtown-Chicago condo and precious friends all over the country. Happily divorced for 13 years, I am a retired businesswoman and West High teacher. I have two Memorial-grad daughters: Jessica and her husband live in Chicago; Deana, her husband and seven-month-old Courtney live in Madison.

Melinda Pellino '04 Asst. Intern Advisor

I grew up in Rockford, IL, graduated with a BA from Drake University, and have lived in Sun Prairie since 1970. I am a wife of 47 years, a mother of 3 and a Nana to 5. I love to golf, play mahjonnig, knit, shop, and lunch with friends.

I am a very proud member of the amazing class of 2004.

I know my enthusiasm and volunteer experiences will enhance my role as Assistant Intern Advisor. I am truly honored to be helping Lynn teach the Attic Angel tradition to this new Angel Class of 2013!

Households

Jun 1	Mr. Arthur Basile

Jun 22	Elizabeth Szybalski

Health Center

Jun 4	James Jones
Jun 15	Dr. Randall Ahlstrom
Jun 22	Mr. Harvey Jaeckle

Welcome to the 2013 Interns

Sandra J. (Sandy) Brewer

I was born in Des Moines, raised in Liberal, KS and moved to WI.
Education: B.S. degree - Mount Senario College and M.S. - UW Madison
I have two children, two daughters-in-law and six grandchildren. My 95-year-old mother lives with me.

I served four years in the military during Viet Nam. My assignments were US Military Academy and Chicago IL. I am a retired teacher and I love gardening, movies, current events, baking and volunteering in church activities.

Sandy Clark

Born: Columbus, OH

Education: B.A. degree - Capital University in Chemistry and M.Ed. - the Ohio State University

Family: Husband, Larry, and two adult children, Jessica (29) and Andy (32)

I am currently retired, but I have worked as a Chemist, a Researcher, an Informal Science Educator, and an Elementary Teacher. I enjoy volunteering at Sauk Trail Elementary and the zoo. My hobbies include baking, hiking, and playing piano.

Terry Dechene

I was born and raised in the San Francisco bay area where I met my husband while at college. We began married life in MI while he attended graduate school. We spent nearly 30 years in the Chicago area where we raised our family of

4 children. Two of our children are married and our first grandchild arrived this February.

I work as a software developer, although I took many years off to care for our busy family. I continue to work part time following our move to the Madison area in 2009.

I enjoy gardening, cooking, needlework and spending time at the lake.

Jane Ferris

Originally from Wausau, WI, I have a Masters degree in Voice from UW-Madison. I have lived with my English husband in Madison and worked as a private voice teacher for over 25 years. Our two children are graduating this year from my alma mater. I have sung

with local opera groups and ensembles. The volunteering "bug" started with the Red Cross, continued in college as a Senior Citizen Choir director and later included a junior choir, school and nursing homes, Girl Scouts, the Capitol City Band and various church groups. I also love to paint, knit, sew, kayak, hike, garden, travel and practice yoga.

Cheryl Krull

Born: Wausau, WI

Education: BBA degree, major in Accounting from UW-Milwaukee

Career: Worked for the State of Wisconsin as an auditor for the Dept. of Revenue before transferring in 1976 to the Dept. of Natural Resources as a management accountant. I retired in 2011 with 37+ years of service.

My hobbies include cooking, baking, reading, golf and traveling. Also enjoy dancing to classic Rock N Roll and Zumba. I love volunteering at my church (especially teaching Vacation Bible School for 3-4 year olds) and look forward to adding volunteer opportunities as an Angel.

Meg McGough

I have 3 great adult children, 3 super grandchildren, and a fun loving 4-year-old great-grandchild.

When I became widowed in 1993, I moved to Milwaukee where I worked as a counselor in a State unemployment division and then as a receptionist/administrative assistant in a small

Orthodox Jewish elementary school.

Upon retiring in 2010 I volunteered as a tutor in English assisting adults working toward their GED. I realized how rewarding and fun life can be as a volunteer.

Now back in Madison, I like spending time with my children and grandchildren, socializing with friends, learning yoga, and becoming a part of the Attic Angel Community. I must say life is pretty sweet!

Where is my Nametag?

Please note that, during the renovation of the fitness center, the Volunteer Nametags will be housed at the Association office. You may elect to keep your nametag in your car, not in your purse (magnet vs credit card). A permanent home will be found at AAP for the nametags and this will be announced at a later date. Thank you!

Donna Peota

Born and raised in Niles, IL. Degree in Communications - University of Illinois and a graduate degree in Business.

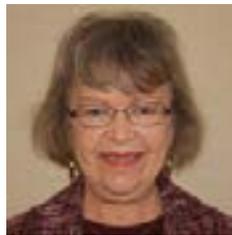

Met husband, Curtis Burgess, while working in Chicago. We've been married 18 years. We moved to Madison in 1997

and live in the Vilas neighborhood with our two sons, Quinn and Aiden. I recently took a break from a 26-year career as an entrepreneur and marketing executive to accommodate more family/friend time, community service, and summer experiences with my kids. I enjoy baking, gardening, drawing, needlework, antiques, music, reading & diners.

Patti Row

Grew up in Northern IN near Lake Michigan's shore. The mighty Jordan River flowed through Indiana University's campus. After marrying, I received my Master's at Purdue near the Wabash River. We moved to the confluence of the Rock and Bark Rivers in Fort Atkinson. There I taught Junior High English, raised our daughter and son, worked as a church secretary and at the hospital. We retired to our lake home up north. Now we've downsized to two ponds! I love life by water!

Currently, I also enjoy yoga, travel, good books, card stamping, our grandson, and becoming an Attic Angel.

Helen Rugowski

I grew up in a multigenerational family on a small farm near Arena, WI. I attended a one-room country school where I was the only student in my grade. Received a Masters Degree in Social Work - UW Madison,

I spent my married life in northern WI. My son and daughter both live in MN

and I have a granddaughter in SD. Career: 20 years in social work at UW Hospital, retired 2008. Since retiring, I've been fortunate to twice travel to India to teach English to orphans with a Rotary project. I like learning about other cultures and traveling and am active in the Friendship Force of Wisconsin. Family times are the best, but I also enjoy bicycling, golf, bridge, yoga, cooking and volunteering.

Pamela Truesdell

Born in Des Moines, IA. Married with two musician sons. Degrees in Elementary Education - Iowa State and Educational Psychology - UW-Madison. Worked as an elementary classroom teacher, special education teacher and reading specialist for 37 years. Recently retired. Love traveling as often as possible to visit our boys in NYC or wherever they might be performing, and friends and family, wherever they might be. Free time includes playing bridge with my Attic Angel friends, walking, biking, hiking, reading presidential history, and volunteering at my neighborhood elementary school.

Lorraine Snyder

Born in the Hudson River Valley in NY, I came to the UW-Madison to study French and Russian. With a Master's Degree in Social Work, I worked for 40 years providing mental health counseling and treatment to seniors in Dane County. Recently retired, I look forward to spending time in service to

seniors as a volunteer.

Married for 42 years to Dick and have 2 grown children and one and ¾ grandchildren.

I am an avid orchid hobby grower and president of the Madison Orchid Growers Guild.

Barb Soderling

Born: Duluth, MN

Education: B.S. Degree - University of MN, Duluth in Speech Therapy

Career: Started as a Speech Therapist in Flint, MI and concluded as a

Clinical Trials Coordinator, Dept. of Ophthalmology, UW, Madison

Family: Married to Dave for 44

years. We have two grown sons, Brian and Mark, and our daughter-in-law, Erika. I am a very proud Grandma of Katelyn, 2 1/2 years old.

I enjoy socializing with family and friends, volunteering in our church, and reading. I look forward to meeting and working with the residents, staff, my Classmates, and all Angels.

Cheri Teal

Born: Merrill, WI

Education: BS degree - Edgewood College

Career: Worked in banking in Madison with 6 years in bookkeeping and 14+ years in trusts and investments. I later worked part time for collectible and art/antique stores in Middleton.

I have lived in Middleton with my husband Howard for over 30 years. I enjoy reading, cross stitching, going to estate sales, making jewelry, relaxing at our cabin, music, traveling, singing, walking, learning new crafts and learning more about art and antiques. I am looking forward to this new volunteer experience.

Attic Angel Place Expansion News Flash # 16

Homonyms that say it all: Compliments and Complements

By Judy Brannstrom, Development Officer

Remember those homonyms you learned about in English class? They are words that sound the same but have different meanings. In the case of our Attic Angel Place Expansion Project, the two homonyms that say it all are “compliments” and “complements.”

The compliments, or kudos, keep coming in from those who have ventured into the new addition to take a look at the brand new spaces for living, dining and gathering. We’ve

received compliments on the colors, the windows, the views, the room configurations, the creature comforts, the activity spaces, the rehab therapy center, and the light-filled walkway.

How nice to know that the previous years of thorough planning, coupled with the final year of construction, have brought forth a new addition

worthy of compliments from all of our interested groups – residents, staff, families, volunteers, contractors, donors and guests. The new spaces are beginning to feel like home as residents move in and give the addition a “personality.” Compliments to all who have worked so hard to plan, design, and build the new addition! Compliments to residents, volunteers, families and staff who continue to be flexible and patient during the long construction phase. With a little more construction and remodeling left to do, we can expect additional compliments to come as more new spaces and landscaping are unveiled over the next two months!

And what about the complements? In terms of the Attic Angel Place Expansion Project, the complements are the pieces that complete or make up the whole, bringing it to perfection. It’s extremely accurate to say that every aspect of the project has been designed to complement our existing accommodations and programs. In fact, the name of our capital campaign, “Enhancing the Circle of Care,” implies that we are bringing the circle to perfection.

Our campaign donors are fulfilling a vital, complementary portion of the funding package for the Attic Angel Place Expansion Project. To date, the campaign stands at \$1.35 million. We are approaching the \$1.5 million goal and expect to cross the finish line concurrently with a grand

opening in late summer. With your help, we’ll finish the campaign race in record time. I’m near the phone...call me at 662-8901 if you have questions about how your gift can make a difference. Together, let’s do it! There will be compliments all around!

Email Sign-Up

By Tricia Nicoll, Director of Activities

Attic Angel publishes a variety of newsletters and written communications including our monthly community wide newsletter, *The Community Carillon*; the Prairie Point marketing newsletter, *To the Point*; resident and café menus; the family newsletter, *What’s Up in the Attic?*; Continuing Education program schedules and the monthly Activity calendars for each level of care. We invite you to receive these communications electronically by signing up on our website. You have the option to select the resources you wish to have and can make adjustments to that list at any time. To check out this new feature, go to www.atticangel.org and select News & Events and then Join Our Email List. If you have any questions about this new feature please contact Tricia Nicoll at 662-8823.

Safety & Fun

By Kathy Schultz, Volunteer Coordinator

Staff and residents are so appreciative of the many Angel activities which take place throughout the Attic Angel Place facility. Historically, it has been a practice for at least one Angel (or staff, when they are assisting) to stay in the location of the activity with residents from the Haven and Health Center who are participating while the rest of the Angels transport residents back to where they live. It is crucial that residents are never left without someone there in case of an emergency. As many of our residents are aging in place, this is more important than ever before, and now includes residents in the Households, as well. In addition to this, we are now asking Angels to escort residents in these areas to and from all activities. Our facility has expanded and some residents may have difficulty with their surroundings and way finding throughout the building. We want to ensure that everyone is able to safely enjoy the activities. Staff can always be called upon to assist.

Attic Sale News

By Connie Grogan, Attic Sale Co-Chair

It is astounding to those of us who have worked all year that the Attic Sale is nearly upon us. The Steering Committee has enjoyed meeting and working with all of you. We are fortunate to have many volunteers that clean, price, sort and pack all of the many generous donations that keep coming our way. The phrase that "when an Angel takes on a responsibility, they will do it and do it well" is exemplified in the Attic Sale.

We are excited to introduce the 2014 Attic Sale Steering Committee. Pat McClimon, Barb Peterman, Jeannie Sanna and Diane Wilcox will take over following the Sale. We are confident that they will enjoy it as much as we have.

In preparation for the final leg of this process, here are a few reminders:

- Bring your own Attic Angel nametag when you work at the Sale
- The Presale will be held on Thursday June 13 from 10am-12N. The church will only be open during these hours. A ticket is required at the Presale.
- Angels may purchase 3 items at the Presale; furniture purchases will be limited to 1 per volunteer. Items may be purchased with cash or check only and it is the responsibility of the purchaser to remove her items by the end of the Sale.
- Tickets are required for Angels to make purchases from 10am – 12N on Friday. Angels may not purchase prior to 10am on Friday, except at the Thursday Presale. After 12N on Friday they may purchase as they wish with no ticket required.
- Clean up will begin at 1pm; we need volunteers to be at the Association to receive items that are returned. Chairs will determine what goes to St Vinny's and what gets saved.
- The Bag Sale will be held in Home Essentials ONLY. Other areas will have price reductions. All areas will be cleared for 15 minutes prior to these reductions to allow for price adjustments. Bags may be purchased for \$5 each in the Holding Area. The Bag Sale will be at 12N on Saturday.
- Donations will be accepted until June 3. The last Pack is on Thursday June 6 at 9am.
- Only Angels that are wearing a money-patterned apron will have cash in Home Essentials.
- Tickets are \$10 and may be purchased at the AAP reception desk and the Association. They make a nice gift for friends and family.

We look forward to seeing ALL of you during the week of the Sale. Thank you!

A Feather in Your Wing to:

Dale Wortley '02 for her help and support all year and for her great attitude!

Sara Lee Hinckley '08 and her husband, Bill, for taking the AAP Library shelves home to their workshop, a few at a time, and repairing them! They look great!

Pixie Thomas '09, for being a true Angel with all the time she spent moving the Flower Arranging supplies to a new location to allow for remodeling of the Conservatory.

Linda Schilling '87 for being willing, on the spur of the moment, to take a resident to UW hospital and for taking such good care to get this resident settled.

Cindy Bjelde for "accidentally" coming in that morning and taking Linda's Copp's run. What a team effort!

Address Service Requested

In Memoriam

Mrs. Geraldine Yelk, AAP
Mrs. Genevieve Busse, AAP

Angel Q & A

By Kathy Schultz, Volunteer Coordinator

Q. Is there any way we can get help from staff to bring residents back to the HC or HH after an activity has finished?

A. There are phones available in the common areas throughout the building. If department phone numbers are not posted, just dial 8842 and Reception will put your call through to the appropriate staff phone.
