## Spring Education Breakfast at Olbrich Gardens *Always a Special Treat for the Senses*

**Please Join Us on**  
**Wednesday, May 21, 2014**  
**9 am Continental Breakfast**  
*(muffins, rolls, fruit)*  
**9:30 am Program**  
**Speaker: Dr. Jennifer Cheatham**

Dr. Jennifer Cheatham is the Superintendent of the Madison Metropolitan School District. Jennifer's focus is on system improvement in urban school districts. Her expertise lies in developing instructional alignment and coherence at every level of a school system aimed at achieving breakthrough results in student learning. Most recently, Jennifer was the Chief of Instruction for Chicago Public Schools. In that role, she led the central office education team in its efforts to support networks and schools on instructional improvement. She brought to this role a depth of experience in school system reform. She worked as a Chief Area Officer for Chicago Public Schools, the Executive Director of Curriculum and Instruction for San Diego City Schools, and a coach and professional developer for the Bay Area School Reform Collaborative (BASRC). Before joining BASRC, she led a multi-year initiative aimed at improving academic literacy for middle and high school students. She began her career as an 8<sup>th</sup> grade English teacher.

Education: Ed.D., Harvard University; Ed.M., Harvard University; M.A. in Education, University of Michigan; B.A. in English, DePaul University, Chicago.

Name (Please print): \_\_\_\_\_ Angel class year: \_\_\_\_\_

I am a resident Angel and I need transportation to the Breakfast Program. \_\_\_\_\_

Amount Enclosed: \$ \_\_\_\_\_

*If you are unable to print out this RSVP form, there will be extra forms available in the Association office workroom.*

## Assn. Board Highlights

By Betty Brunner, Board Secretary

April 21, 2014

Bob Zellers, Jennifer Schneider, and Erica Hill from M&I Wealth Management were introduced to the Board. Bob Zellers began the meeting with a synopsis of Attic Angel's investment portfolio, indicated we were on target with our investments and did very well this year, and answered questions. He also gave a presentation on the current financial environment, and feels we shouldn't have any trouble hitting our targets for this year.

We are in the fifth year of our Long Range Plan and most of our objectives have been met. Discussion was held on how to proceed with setting new goals for the next Long Range Plan.

Attic Angel has several non-Angel volunteers such as students and men and the subject has been referred to the Policy Committee to establish guidelines to govern these volunteers as they work with the residents.

The new Intern Class has added two new members, bringing the total to 18, and they will all be introduced at the annual meeting on April 28.

Barb Berven gave the 125th Anniversary Committee and Gala Committee updates. They are planning a number of year-long activities which will culminate with the Gala October 18 at Monona Terrace. Barb mentioned that we are at 114 camperships, just 11 short of our goal of 125 and that they plan to extend the deadline in hopes that we can be successful. *(Ed. note: The goal has been reached!)*

Peg Jones was thanked for her help with the Past Chair duties and retiring Board Members Dale Wortley, Susan Kalin, Barbara McFarland, and Linda Wise were thanked for their much appreciated and dedicated service.

## Editor's Note

By Mary Booth, Editor

Spring is finally here, greeted with a big sigh of relief as the *May Herald* is being put together. When editing the *Herald*, the copy received is reviewed before going to press. This means checking spelling, punctuation, filling in or shortening an article and reviewing various elements for accuracy. As we read the articles, we are reminded of all you Angels have done, are doing or will be doing. What an extraordinary group of volunteers you are!

## 125th Anniversary Gala Q and A

By Barbara Berven, 125th Anniversary Gala Co-Chair

Frequently asked questions about our upcoming Gala:

Q. When and where is this Gala?

A. All right, I know it's been a long, hard winter and perhaps you're just now emerging from hibernation, but I can't believe you don't already have this on your calendar! Saturday, October 18, 2014, at Monona Terrace (and, yes, we checked—it's NOT a "football Saturday").

Q. Who's invited?

A. This celebration is for Angels and friends of Angels.

Q. How much are the tickets?

A. Appropriate to this anniversary occasion, the tickets are \$125 person. Consideration is also being given to offering event sponsorship opportunities. For an additional donation in an amount corresponding to one of three different giving levels (Cherubim, Seraphim, and Archangels), sponsors will be recognized in the Gala program as—wait for it—"Our Heavenly Hosts."

Q. Is there a theme?

A. Anyone who knows me knows that there HAS to be a theme. "Touched by an Angel" seemed an appropriate choice.

Q. What shall I wear?

A. This will be a "black tie optional" event, so dig out your party best—preferably in black, white, or gold, our "palette" for these festivities.

Q. Will there be entertainment?

A. After a sumptuous dinner and brief program commemorating Attic Angel's proud 125-year history, attendees can trip the light fantastic to the musical stylings of the Gardenia Big Band, a fabulous fourteen-member orchestra playing tunes from the 1940s through the retro swing era.

Q. What else is planned for the evening?

A. Attendees can "take a stroll down Memory Lane" through vignettes highlighting key events in Association history. We're also going to have a Wine Cork Pull, as described in the March *Herald* article. And there may be a few surprises in store, as well!

Q. *How can I NOT attend* what is sure to be "the social event of the season?"

A. I'll assume that's a rhetorical question.....

# 125th Anniversary All Year Long

By Claudia Brown, 125th Anniversary Committee

Thank you for helping Attic Angel provide a week of summer camp for young teens this year! Our campership outreach project was successful because of your thoughtfulness and generosity. Madison School & Community Recreation (MSCR) is truly grateful for our support and extends their gratitude to all of you.

The Name That Angel “mystery angel” for March was Frederick C. Brandenburg. The winner with the correct guess was Kathy Schultz. Be sure to check out the new mystery angel posted each month in the entry foyer of Attic Angel Place and enter your guess in the appropriate box.

How time flies! Can you believe we are midway through the celebration of our 125 years of Attic Angel? Our celebration will culminate with the anniversary gala on October 18th. The gala committee is working very hard to ensure it will be a spectacular event you won't want to miss!

Please enjoy a glimpse into the past with the attached photos of the 1960 Home and Garden Tour (left) and the

1975 photo of the Tower at Segoe Road. (right)

Are you ready for the 2014 Attic Sale? These women certainly look prepared and ready for action!

# Studio News

By Emily Wellentin, Art Program Coordinator

## Studio Sale News

All funds made from the Studio Sale on Monday, April 14, were donated to the Sponsor A Camper Program as part of the 125<sup>th</sup> celebration. The Studio raised and donated \$318 to send 2-3 middle school students to CR8TV U Camp, a camp which helps students discover their inner artist. Thank you to the residents, staff, family and volunteers who helped work the sale, made items and supported the cause through purchasing something great.

## Big Changes

There are big changes afoot for AM Studio programming! Our new morning program will be a mobile art cart. Along with two Angel volunteers, I will visit one level of care a day and bring fun art activities to residents where they live. The **trial** format for May will look like this:

Monday	Tuesday	Wed.	Thurs
HC	Weaving	2 <sup>nd</sup> Floor HH	3 <sup>rd</sup> Floor HH
Sm Dining	Studio	2 <sup>nd</sup> Fl Kitchen	3 <sup>rd</sup> Fl Kitchen

Studio Angels should check in at the front desk and meet me in the Studio at **9:30 AM**. We will take the Art Cart with supplies to our scheduled destination. I will set up the project and the two Angels will gather residents. At 10:00 AM I will lead the activity and we will all help residents complete the project. At 11:00 AM, Angels will help residents back to their rooms or to the dining room for lunch. AM Studio Art Cart will conclude at **11:30 AM**.

The only day that Angels and I will remain in the Studio for morning programming will be Tuesdays to help weavers on their looms. Residents are welcome to work *independently* in the Studio during the morning hours. For those in our Haven, I will continue to visit and do Art Cart on Monday afternoons. No Angels are required for Haven Art Cart. Each week, I will plan a new art activity so that every month residents are able to enjoy creating a variety of artwork.

For the past two years, the Studio has struggled to fill all four volunteer positions needed to operate the traditional AM Studio one-to-one program, so it was time to try something exciting and new. It is my goal to reach out to as many residents as possible. Creating art with neighbors can build friendships and introduce residents and Angels to new people.

I appreciate lots of feedback, so please let me know how you like our new Art Cart Program. Call 662-8859, email [emily.wellentin@atticangel.org](mailto:emily.wellentin@atticangel.org) or just stop by!

# Attic Sale Update

By Pat McClimon, Attic Sale Co-Chair

The weeks are slipping by quickly and in just about five weeks, we'll be loading the trucks and vans and "getting the show on the road." Between now and then there's lots to do, but we are confident that the Angels will, once again, put on a great Sale!

There are some important dates concerning the Sale that you may want to mark on your calendars. **Wednesday, May 14th @ 1PM** is the All Chairs Meeting. This is an important meeting - information will be shared that all Chairs will need to have before the Sale. The final Pack dates are as follows: **Tuesday, 5/6, Thursday, 5/15, Tuesday, 5/20, Thursday, 5/29** and **Thursday, 6/5**. All Tuesday Packs are from 1 - 4 PM and Thursday Packs are from 9 AM to Noon. Treats will be provided to maintain sustenance!! We can use multitudes of Angels at these last Packs - no previous packing experience is necessary and "many hands make light work." Starting Monday evening, **June 9th**, we will begin the packing, moving, unpacking and setting-up process. We will be in need of Angels, husbands, sons, grandsons, others and vehicles to facilitate this process. Last, but not least, in the important date category is **THE SALE - Friday, June 13th (8 AM - 4 PM) and Saturday, June 14th (8 AM - 1 PM)**.

The website sign-up is open and Angels are encouraged to sign-up for their chosen jobs ASAP. If you are unable/unavailable to work at the Sale, please add your name to the online unavailable list. Your attention to this will assist the Volunteer Coordinator as she attempts to find volunteers to fill all the job slots at the Sale. There are some new opportunities available this year. We will need cashiers and wrappers for the Home Essentials area as we have changed to a cashier check-out system in that area this year. Cashiers are sitting positions. There will also be a Clean-Up committee this year and they are needing volunteers. The Chairperson has communicated with the church maintenance and knows exactly what needs to be done at the conclusion of the Sale to get the church back in order for their Sunday Services.

Key to any Sale are donations, donations, donations! There is still time to clean-out those closets and cupboards and pass along those nice items that need a new home. Don't forget to recommend our Sale to neighbors and friends who might have items to donate. We will accept donated items until June 4th which is the day before the last Pack. After that things are being loaded and taken to the church and the Association basement is cleaned while the items are moved

out. There will be, however, furniture pick-ups the week of the Sale. Notify the Association office if you will have furniture to be picked-up the week of the Sale.

Tickets are available for \$10 at the Association Office and Attic Angel Place (reception desk) prior to the Sale. They can be purchased at the Education Breakfast on May 21st at Olbrich Gardens and they will, of course, be sold at the door for the Thursday Angel Pre-Sale and at the door on the Friday morning of the Sale. Ticket purchases are an easy way to support the Sale. Tickets sold are pure profit - they don't have to be cleaned, polished, pressed, wrapped, packed and toted. Please consider purchasing a ticket for yourself and one (or more) for a friend(s).

We're looking forward to a great Sale with proceeds supporting the Attic Angel Resident Aid Fund and grants to two organizations in the community to provide mental health services to adolescents. Thanks, Angels for all your efforts!

## AAP Board Highlights

By Cindy Zellers, Board Secretary

### February 20, 2014

The Board performed its annual review of its governing documents, concentrating this year on the policies of Attic Angel Place. Several minor changes were proposed and approved. The new business portion of the meeting focused on the operating and capital budgets. Funds have been allocated for strategic planning and management training. Therapy changes are being considered, as are a wellness coordinator, additional dining options and some point of service changes. Bond covenants are projected to be healthy as the expansion space fills up. Rate structures for the apartments will offer some new variety. The capital budget provided for some renovations throughout Attic Angel Place. Both the operating and capital budgets were approved. Derek Buckley provided updates on some changes within AAP, including the social hour and restaurant style dining being piloted in the Apartments. The new kitchen in the Health Center and the one in the new addition have started preparing breakfast to order. Plans are to provide the same service for the Households at some point in the future. Options are also being considered for the Café. The new nurse call system has been installed and is being tested and GPS will be installed on the AAP campus. The use of the Wellness Center is gradually expanding.

## In Their Words

By Claudia Brown, Co-Chair, 125th Anniversary Committee

Sheila Luhman had just moved to Madison and started a new job as a cook for Attic Angel when fate intervened. After one day on the job she was offered the position as Director of Food Services. She had her credentials in order from MATC and the UW and so began a long and delectable career at Attic Angel Place. Sheila celebrates her 40th anniversary this year as Director of Food Services!

The support that employees receive from AAP for continuing education is a great benefit of working here, says Sheila. Not only has she been on the receiving end of continuing education, but has also taught as a member of her professional organization. She recalled the help and guidance she has received from volunteers who were retired dietitians on food service committees. She feels there is a "mutual respect between a caring staff and the work of the volunteer."

There has been a lot of change and growth over her 40-year tenure. She has been involved with the design of two kitchens, first at the Tower on Segoe Road, and of course, our newer current facility. Sheila has had offers of other jobs over the 40 years but has chosen to stay at Attic Angel Place. She feels strongly that "this is the best place, it feels like home." It "feels safe" here. She has seen generations of family come through AAP and feels they come back because they know they will be well cared for. Sheila could write a book about her tenure at Attic Angel Place with all the changes, events and lives that have passed her way!

Sheila implemented 'select a menu' and feels it is important for the residents to have choice in their lives. She gives it the personal touch when she can by providing a particular cereal or product she may not carry in stock for a resident. She enjoys speaking with residents and hopes her few minutes help make their day better. Sheila manages approximately 40 employees in food services from high school to senior citizens!

In closing Sheila stated, "I enjoy coming to work everyday because of the great staff that is very caring and support one another. There is always a variety of things to do so you are never bored. Attic Angel is continually growing and changing so you have to change your processes. We get through it because of such great teamwork. We couldn't do all we do here without the volunteers and staff working together."

## Oasis Open House

### Monday, May 12, 10 am - 1:30 pm

By Cindy Bacon Hammer, Chaplain

#### What is the Oasis?

The Oasis is a special place, a room set aside for use by individuals or families, a safe and peaceful place for prayer, contemplation, meditation, or being alone with your thoughts.

#### Where is the Oasis?

The Oasis is located on the third floor of the Households. Take the main elevator up to the third floor and turn left. Turn right when you see the sign for the Pub and the Oasis will be immediately on your left.

#### Why would I go to the Oasis?

Those who are experiencing grief or a change in health or life situation may wish to take advantage of this private space for reading or study, for planning with family, friends and/or spiritual counsel.

#### What will I find in the Oasis?

Materials available in the room for your use include books, music and meditation CDs, and religious materials (such as prayer beads, hymnals, prayer rug or mat, rosary, finger labyrinth and others).

#### What is our hope?

We hope that this space will bring peace and healing to many.

Come to the Oasis on Monday, May 12, and see for yourself! Books, meditation materials, prayer shawls, a restful place to sit and contemplate will be found in this welcoming place.

The warm atmosphere of the Oasis has been enhanced by artwork created either in the Attic Angel Studio or by Attic Angel Residents. We believe you will enjoy the way the art works with the room and offers focal points for meditation.

You are invited to stop by any time between 10 am - 1:30 pm. Bring a neighbor, a family member or a friend. We hope that you will feel at home in this special room that has been prepared for each of us to enjoy when we need some time apart.

# Meet Our New Board Members

## Julie DeWitt

I became a member of Attic Angel with the wonderful class of 2008. I enjoy volunteering in the Haven, the Studio and in a kindergarten class at Falk Elementary, our partner school. As a former teacher, I like that being a member of Attic Angel gives me the opportunity to continue learning, and I anticipate that serving on the Board will expand that opportunity.

I have lived in Madison since 1976 and my husband, David, and I raised our two daughters here. They both live on the east coast now, one in New Jersey and the other in Boston. I worked in public schools in Michigan and Wisconsin, teaching everything from 1st-8th grades. I ended my career as a learning coordinator at a middle school in Madison. In my free time I like to be active out-of-doors, kayaking, hiking, cross-country skiing or gardening.

## Claudia Brown

I was born and raised in Jacksonville, Florida and am the youngest of five girls. I graduated from the University of Colorado. My husband, David, and I have three children. We lived in Bloomington, Indiana for 14 years before moving to Madison 17 years ago. I was fortunate to be a stay-at-home mom. I like to garden, play tennis, and travel.

I am in the Attic Angel class of 2010 and I served as a Co-Chair of the 2013 Attic Sale and Holiday Sale. Currently I am a Co-Chair of 125th Anniversary Committee and Operational Chair for Building and Grounds. I look forward to serving on the board and learning more about the inner workings of Attic Angel Association.

## Barbara Berven

It is indeed an honor to accept nomination to the Association board as Relations Coordinator. I earned my wings with the fabulous class of 2010. Volunteering as an Angel has since become a source of great joy and fulfillment for me. I have, for the past three years, served as Furniture Co-Chair for the Attic Sale and as a member of the Steering Committee in 2013. This year, serving as co-chair of the 125th Anniversary Gala Planning Committee and a member of the 125th Anniversary Committee, I'm having the pleasure of planning the celebratory events surrounding this proud milestone in Association history.

A bit of personal history—I am a graduate of UW-Madison and began my career as a legislative analyst/speechwriter with the Wisconsin Assembly and later, with the Michigan House of Representatives. Upon returning to Madison in 1984, I joined the Wisconsin Utilities Association as vice president of programs and retired from that position in 1997. In addition to my volunteer work as an Angel, I am a member, and former president, of P.E.O. Chapter H and serve on the board of Madison Area Crimestoppers. My husband Norm, stepdaughter Jennifer, and I are avid Badger fans and our falls and winters are largely occupied with sporting events! We also enjoy the Madison Symphony, Forward Theater, the Broadway Series at the Overture Center, and the wonderful productions at The Fireside Theater in Fort Atkinson.

I am grateful for the opportunity to serve as a member of the Association board and look forward to what will surely be a rewarding and educational experience.

# Final Spring Plant Sale

Did you miss the last deadline? Has cold weather made you forget about purchasing flowers?

New May deadline: **May 19th at noon**; Pick up certificates on May 22nd afternoon in the Association office.

# A Transformational Legacy Gift

By Judy Brannstrom, Development Officer

Dr. Edwin Michael Foster, fondly remembered by his many friends and colleagues as “Mike,” planned for two major gifts to be given to Attic

Angel Association upon his death. When he passed away in 2013, Attic Angel Association received a beneficiary distribution from Dr. Foster’s IRA, and in March 2014, a major gift from Dr. Foster’s trust arrived. Dr. Foster’s wife of 65 years, Winona, preceded him in death in 2006. Attic Angel Association is honored to announce that Mike and Winona Foster are the newest members of the McKenzie Circle within Attic Angel Legacy. The McKenzie Circle is the highest level of Legacy membership and is reserved for donors with cumulative gifts of \$500,000 and above.

Mike Foster grew up on a small cotton farm in East Texas during hard times. His mother encouraged him to go to college. He earned a master’s degree in biology from North Texas State Teachers College and then completed a PhD in bacteriology at the University of Wisconsin in 1941.

During World War II, he served in the Chemical Warfare Service at Camp Detrick, Maryland. After the war, his UW career began with an assistant professorship in agricultural bacteriology, and his work at UW continued for 42 years. His tenure included leadership of the Food Research Institute, which grew in scope and size with Dr. Foster at the helm. He received numerous awards and honors from both governmental and private organizations. Mike’s humble Texas roots remained with him throughout his life. He told many wonderful stories about growing up on the family’s cotton farm, and he always expressed his gratitude for having had the opportunity to attend college and earn the advanced degree that launched his long and fulfilling career.

Winona Foster was a member of the Attic Angel Class of 1961. She was a volunteer at the Attic Angel Tower and Nursing Home on Segoe Road. She helped to establish the craft program for residents there. Today that program continues to thrive from its home base in the Attic Angel Place Studio.

Mike and Winona were longtime Attic Angel residents in their retirement years. Together, they experienced the Attic Angel Community from both volunteer and resident perspectives. The Fosters’ joint commitment to the mission of Attic Angel Association led them to become members of Attic Angel Legacy by contributing to the Haven building campaign. A few years ago, Dr. Foster again gave a major gift, this time for the new rehab dining room in the Attic Angel Place Expansion. Mike and Winona were also longtime Mahoney Society members, having declared their intention to include Attic Angel Association in their estate plans.

Special permanent recognition will be given to the recent Foster estate gifts at some time in the future. For the present time, the two unrestricted gifts reside within a named fund where they can be tracked and stewarded by the Association Board. Unrestricted legacy gifts such as these are transformational for Attic Angel Association. They strengthen the organization’s foundation and ensure its future health. While safely invested, the gifts grow, inspire and open up new possibilities as Association leaders chart a future course and determine how the gifts can best fulfill the Association’s mission.

Throughout the Association’s history, the farsighted vision and generosity of donors such as the Fosters has enabled Attic Angel Association to remain a strong and vital force for good within Dane County. It is humbling indeed for this volunteer organization to be regarded so highly by the Fosters and to be a recipient of their legacy giving.

## Angel Nametags Have a Home!

The Angel nametags now have a place to wait for their human counterparts to pick them up for activities at Attic Angel Place. The Active members' nametags are in the cabinet in the hallway by the Studio. Sustaining members will find theirs in the chest in the foyer by the library. They are arranged alphabetically.

## Springtime: *A Perfect Time to Plan a Move!*

By Claire Merkt, Director of Marketing

Spring arrives, and of course we so often think of new beginnings. The natural world gives us reminders all around ... budding flowers and trees, birds gathering up nesting materials. Personally, we are energized and feel renewed to take on projects, allowing some hidden treasures to be unearthed. Share that welcoming and budding spirit with friends who may be considering moving to a 'new nest' this spring. Welcome them to join you for a tour of the Attic Angel Community to check out the exceptional living options here. Tours can be arranged with Kelly Rogers, Senior Living Consultant at 608-662-8911 or [Kelly.rogers@atticangel.org](mailto:Kelly.rogers@atticangel.org) Move-in incentives available for a short time on a limited supply of one bedroom apartments!

## Time Spent with Friends

By Terry Mulvoy, Administrative Assistant

*Editor's note: Terry will be leaving us on May 16 for Louisville KY where her husband has a new position. We are sad to see her go and thank her for sharing her time and talents with us.*

How many people can say that they look forward to going to work, that the days just seem to fly by, that they genuinely like all of the people they work with? Well, I have been blessed for the past three years to be able to say just that. I want to thank all of the staff and all of the Angels for making my time here feel like days spent with friends. I wish you all health and happiness. I will miss you.

## Cupcake Time: May 16

By Pat Carroll, Planning & Outreach Chair

For the fourth year in a row, we are helping Falk Elementary School with their Fun Fair on Saturday, May 17th. This is a fundraising event for them. We help by baking or buying cupcakes and cakes plus running the cake walk during the fair.

If you would like to donate cupcakes or a cake this year, please deliver them to the Association small conference room by 11:30 a.m. on Friday, May 16th. All donations are appreciated by those students attending the Falk Fun Fair. If you can, put your baked goods in a disposable container. If not, we will box them in containers from Sentry and Hy-Vee.

If you would like to volunteer to help at the Falk Fun Fair from 12 noon to 3:00 p.m. on Saturday, May 17th, please contact Pat Carroll at 833-6772 or [plcarroll@charter.net](mailto:plcarroll@charter.net). You'll enjoy yourself as the students are very enthusiastic! I'm hoping to see lots of cupcakes and cakes either homemade or store bought by 11:30 a.m. on Friday, May 16th. Thanks so much for your help!

## New Neighbors

By Mary Ann Drescher, President

Recently, Gallina Companies shared the drawings for a proposed apartment building on the corner of Elderberry Road and Pleasant View Road at a couple of meetings. They are planning to build on the land which they are in the process of purchasing from Attic Angel Prairie Point. The proposed project will be called the Tuscany, and will consist of 174 apartments in two u-shaped buildings of three and four stories connected by a two story building which will house the clubhouse. There is an Italian theme in the selection of exterior finishes and roofing colors.

There are a number of amenities available to their renters that will also be available to the Prairie Point residents (for a fee). They include: outdoor swimming pool, picnic / grill area, fire pit, Community Room, exercise room, and a clubhouse. The plan is to obtain final city approvals for the Tuscany by July, with construction starting in October and completed in September 2015.

The Tuscany will not be affiliated with Attic Angel, and the renters are not part of the continuum of care provided by Attic Angel, but by all indications they should make wonderful neighbors.

**Address Service Requested**

**Yearly Event Calendar**

June 13-14	2014 Attic Sale
